Product **Description**

The ViewSonic® WoodPad Paper is a digital writing pad specifically made for students. You can write on ordinary paper and digitize notes or drawings at the same time. Any paper works with the device, enabling WoodPad Paper to adapt to your writing needs. With 4096 levels of pen pressure sensitivity and ±60 tilt angle, you can write smoothly and naturally. Plus, the 7" WoodPad delivers a compact and lightweight design thanks to its use of durable and renewable bamboo. Enjoy the next level of the natural writing experience everywhere at home or school, on trains or in coffee shops, and wherever else you need to learn or create.
